THREE MAN TICKET WINS

WHAT'S GOING ON AROUND TOWN

By BILL KATZ

Census takers are compiling the facts concerning Daly City residents this week, and for the most part are having little trouble interviewing the 14,000 persons who are the estimated population of this fair community. One of the statisticians, however, reported he met with a little trouble last Thursday when he interviewed a gentleman who lives in a modest little home in the southern part of Daly City.

The bewhiskered, cigar-chewing "homemaker" answered the door and started off the interview by offering the government agent a "small nip." Our man regretfully turned down the spirits, and launched forth with his battery of questions.

Everything went well, until he arrived at the "occupation," line. Without a pause, the gentleman replied, "housewife." Eyeing the half empty bottle on the mantel, the census taker repeated the question. The resident, a trifle ruffled, gave the same reply. This proved too much for our man, who although not a snooper, is blessed with an average amount of curiosity. He asked if it would be out of line for a further explanation.

Taking another small drink, the gentleman added he had found during the war that his wife could make more money than he could, so he assumed her roll as housewife, and devoted his spare moments to working out a scientific plan for betting on the horses. The plan, he noted, was almost complete and next year he hopes to hire a maid.

That ended that, and the census taker reports, the word "housewife" now duly stands after the gentleman's occupation.

Quote-Unquote — "History is the sound of heavy boots going upstairs and the rustle of satin slippers coming down." Well, if the recent city elections are any indication, the era of the heavy boot hasn't passed, and Daly City, at least, has little to worry about.

Sign of the Times — Easter has come and gone, but this year we believe there wasn't half the fin-

BOYS CLUB GETS HELP

Interim Organization Is Formed To Get Club Back On Its Feet

Forming a Daly City Boys Club organizational committee Wednesday night, civic minded men and women of this community took upon their shoulders the job of reactivating the club.

The interim committee will meet Wednesday at 8 p. m. in the City Hall to plan a campaign for raising funds and interest in the Daly City Boys Club.

After the Wednesday night meeting it is expected another general conclave will be called for all those wishing to become members of a "Mothers Club" or "Parents Club."

Everyone interested in reorganizing the Daly City Boys Club is therefore asked to contact either one of the organizational chairmen or the Daly City Record at JUniper 7-4321.

To date some 40 persons, the majority women, have expressed interest in helping the club. These people and various clubs and organizations in Daly City have contributed $81 of the $200 to $300 needed to get the club started again.

The temporary committee, appointed by the 25 people who attended the Wednesday night meeting in the home of Mrs. Marion McKaskle, 158 East Vista, are:

P. J. Nolli, chairman; E. W. Gray, first vice-chairman; Mrs. M. W. Linton, second vice-chairman; Mrs. McKaskle, secretary; Marjorie Lynch, treasurer and Robert H. Evans, printer.

Also planning to take an active part in the organization of the club are the following persons who have agreed to help reactivate the unit and contact various local groups for this purpose:

Walter Rector has offered to set up a business-like structure for the club; Mrs. Marie Miller to contact the Druids; Thomas Bocci Jr. to give his legal assistance and contact the Eagles; Mrs. Lynch to contact the Eagles Auxiliary; Frank Specht, Daly City Fire Department representative; Mrs. Rector to contact American Legion Auxiliary; Mrs. Hiett will contact the PTA and the Daly City Garden Club.

Others in attendance who have offered assistance included: Mr. and Mrs. Arnaudo; W. Clarke (who is moving from Daly City), Ed Stone, Earl Madden, Mrs. Gray, Mrs. Madden, Mrs. Stone and Mrs. Sue Adams.

Runaway Car Smashes Fences

Bowling over two fences, another runaway car scored a "hit" in Daly City last Sunday.

Edward Levy, 283 Fourteenth avenue, San Francisco, parked his car on 33 Tallwood drive at 2 p.m. Sunday. A few minutes later the machine broke away from the curb, rolled backwards into the fence of J. Hankins, 26 Tallwood drive, straightened out, and came to rest against the fence of M. M. Norton, 347 Hillside boulevard.

The front grille and fender of the automobile was damaged. Police report Levy was cited for failure to park properly on a hill.

Funeral Services Held For Former D. C. Fire Chief

Andrew P. Chesney, 76, pioneer Daly City resident, died at Palm Drive Hospital, Sebastopol, Monday.

Until he moved to Guerneville early in 1947, Chesney had been fire chief in Daly City. He held this position for 11 years, and was a member of the Daly City Fire Department for 27 years.

The former resident of 298 Crocker took an active part in organizing the fire department and

Music Concert For Boys Club This Wednesday

Do you want to "help yourself" to an evening's entertainment and at the same time assist the Daly City Boys Club?

Those who do are invited to attend another concert at the de Leon Music store, 6127 Mission street, Wednesday, April 19 at 8 p. m.

While the concert is free, all those attending will be asked to contribute something toward getting the Boys Club back on its feet.

As usual, the program will be made up of local talent, featuring instrumental numbers by students. A small dance band is to be featured. The band members are from Daly City and will be led by Gordon deLeon.

The following students will take part: George Urbani, drums; Rudy La Porte, alto sax; Gene Diana, trumpet; Jane Carle, tenor sax; Fred Ludoff, alto sax; Gordon de Leon, alto sax; Beverly [illegible]izer, piano. Manuel de Leon will play the guitar with the band.

"Billy The Kid" Enters San Quentin

"Billy the Kid" William Huston, 19, has been sentenced to from five years to life, following his plea of guilty to a dozen San Francisco holdups in Superior Court April 10.

The youth's crime career was halted March 7, when a Broadmoor veteran felled him, after the boy tried to escape a police chase by entering the infantryman's house.

Huston gained his name because he usually accosted his victims by whirling his revolver and firing one shot into the floor.

Superior Judge Albert C. Wollenberg pronounced the sentence of 12 concurrent prison terms. Probation Officer William Gallagher reported Huston has told him he planned to use his prison term to perfect himself as a criminal.

Varied Dance Program To Highlight Daly City May Day Pageant, May 7

May pole dancers, folk dancers, and others who trip the light fantastic will take part in the giant May Day pageant scheduled for Daly City May 7.

The pageant will be held after a parade through the main business section of Daly City, earlier that same day. Leading the march will be Arabian stallions, brought here especially for the occasion.

Plans for the dance program were worked out at a meeting last Wednesday night between Daly City Recreation officials, local merchants and the district Parent Teachers Association groups.

The dance program gives promise of being a great success, as more dancing teachers and studios are giving a helping hand, Earle Johnson, program chairman, stated.

Also discussed at the meeting was the gown to be worn by this year's queen, Sandra Lee Shaughnessy, 8-year-old daughter of Mr. and Mrs. David Shaughnessy, 110 Moltke street.

This year the costume of the queen, and the dresses of her five attendants will become permanent property of the recreation commission. It was decided to purchase a well made dress, as the May Day festivities promise to be an annual event, and the costume may be used again next year.

The Recreation Commission has purchased the material for the garments, and the PTA sewing units are making the spring dresses for the attendants.

Mrs. Henry Adami, queen chairman, has been capably handling the arrangements, and has chosen pastel taffetas and attractive little-girl patterns for the queen and her attendants.

MAY DAY MAIDENS PRACTICE FOR FESTIVITIES

These are but a few of the many youngsters who will take part in the giant May Day parade and pageant in Daly City May 7. The May Day pole will go up at Jefferson High school, where students from the six Daly City schools will participate in the general festivities.

CITY COUNCIL MEETING

Bonfire Ordinance Passes; Rubbish May Be Burned Two Mornings A Week

As of June 5 it will be unlawful to burn rubbish in Daly City except between 7 a.m. and 10 a.m. Wednesday and Saturday, without a fire permit.

The ordinance to this effect was passed by the city council at its regular meeting Monday night.

Before the ordinance became law, however, a few persons in the audience raised several objections. Chief among these was, as there is no city dump, it is necessary to burn rubbish at various times of the week.

To this protest, Mayor Paul Green replied, that it was true, there was no dump, but the city is now investigating means of disposing of excess trash. He said the council may have to authorize a large trash burner for the city.

When the mayor added that there was always Skyline dump, and therefore some facility for getting rid of rubbish besides burning, an unidentified member of the audience replied:

"Yes, but that dump is now run by Phillip Gentile, who has leased the land from Henry Doelger. When Doelger needs the land, there won't be any dump."

At this point, Fire Chief J. H. Kennedy asserted that the purpose of the law was not to forbid burning of rubbish at any time, but rather to give the fire department something to "back it up" when a person disregarded his neighbors' protests and burned rubbish at all hours of the day or night.

Kennedy indicated that it would be no problem for anyone to get a fire premit to burn rubbish, providing the request was reasonable. Therefore, persons who find it impossible to burn rubbish on Wednesday and Saturday mornings, need not worry, Kennedy said.

Mayor Green closed the discussion:

"We'll give the law a try, anyway. If it doesn't work out, we can always change it."

This seemed to meet with the general approval of all those present.

Other business before the council was:

1. Awarding of a contract to the B. S. Blair Co., Burlingame, for grading Marchbanks and Edgewood parks. Total cost of this job is $3,064.

2. The United States Pipe and Foundry Co. was awarded the contract for iron pipe to be installed as a water main along Junipero Serra boulevard. E. B. Haas Co., will put down the pipe.

3. The awarding of the contract for a deep well turbine pump for the Junipero Serra well was layed over until the next city council meeting.

4. A progress payment of $4,545 was authorized Mario Ciampi, architect for the War Memorial building.

Fire Chief Kennedy then proposed, and the council agreed, that the meeting be adjourned in honor of former Fire Chief Andrew P. Chesney, who died Sunday.

State Approves Traffic Signals

Approval by the State Division of Highways of plans for construction of new traffic signals and traffic separation at the Mission, San Jose, Wellington, Hillcrest drive and Hillside boulevard intersection in Daly City was received Wednesday, Mayor Paul Green said today.

The State recommended that the work be started before June 30.

Similar approval was given for traffic aid improvements at the Mission, Market street and San Pedro intersections, Green said.

It will be necessary to remove S. F. Municipal Railway street car tracks in the areas affected before work can begin, however. City Engineer R. A. Klassen was coordinating with San Francisco engineers to get this accomplished.

The work will be paid for out of State gas tax monies which are allocated to cities on a per capita basis.

Professional Talent Featured At Lions' Show

The fourth annual Lions Club Show, coming May 2, is rapidly taking on the form of a gigantic spectacle. For the first time in the history of the benefit shows, sponsored by the Daly City-Colma Lions Club, the event will be directed by professionals, using professional talent.

Due to the shortage of talent which responded to the call for amateurs, it was decided to go all out to make this year's show the best yet. An array of entertainers have been engaged that will be of as high a calibre as any vaudeville show playing in the major theatres.

There will be varied types of acts including a magician, ventriloquist, comedian, a very handsome singer who is a staff artist for NBC, an outstanding dance team, a beautiful girl who sings and dances, an artist of music who composes, plays and sings his own songs, and to give a touch of local color the Daly City Cowboys will give out with some good old western music.

The younger set will enjoy Pat Austring from Jefferson Union High school entertain on the piano. There will also be a line of chorus girls dancing for the audience's pleasure. This stage show will be augmented by a picture the title of which hasn't been announced as yet.

Now is the time to buy your tickets to make sure of being able to get a seat for the show of shows.

Cancer Drive Opens In D. C. Area

This is Cancer Control Month, and Daly City and Colma residents are asked, during April, to give $500 toward fighting the dread disease, Ann Eason, drive chairman, announced today.

The drive is held each year in support of the American Cancer Society's medical and educational program.

Quota for San Mateo county this year is $27,500, of which the greatest part will remain in the community for research and education services.

When in a store this month, be sure and drop some change into the Cancer drive cans which are distributed throughout the business establishments in Daly City. Also, help your children to fill their Cancer drive envelopes, now being distributed in the Daly City schools.

Getting the ball rolling, the city council Monday night agreed to contribute $50 toward the drive.

4,000 VOTERS OVERWHELMINGLY ELECT GREEN, GAGGERO, KENNEDY FOR COUNCIL

A. J. Gaggero

Paul Green

J. H. Kennedy

Going to the polls Tuesday, some 4,000 Daly City voters gave three city council seats to Mayor Paul Green, A. J. Gaggero and J. H. Kennedy by more than a two to one majority.

The three-man winning ticket received a total of 8,341 votes as compared with the 3,497 ballots cast for Mel Battye, Hugh H. Smith Jr., and Ed Nenstiel.

The following number of votes were cast for each candidate: Green, 2,862; Gaggero, 2,804; Kennedy, 2,675; Battye, 1,275; Nenstiel, 1,116; Smith, 1,106. The three winners carried every one of the 16 precincts.

Monday evening, April 17, at 8 o'clock the two incumbents, Green and Gaggero, will take office for another term, as will newcomer Kennedy. The public is invited to attend this "installation" of the three councilmen who will hold office for the next four years.

This will be the second term in office for Green, who at 34, is one of the country's youngest mayors. A veteran of World War II, Green was first elected in 1946.

While he lists his occupation as real estate and insurance broker, Green is also a student. He is now taking a three year law course at the University of San Francisco.

Green is the father of three children and resides at 183 East Vista avenue.

Councilman A. J. Gaggero, 41, will enter his third consecutive term next Monday. The insurance broker served as mayor of Daly City until he turned the gavel over to Green. Gaggero has three children and resides at 6 West Cavour.

Another relatively young man on the city council is newcomer Kennedy. The 34-year-old sales manager is employed as a supervising salesman in San Mateo county. He has two children and resides at 6893 Mission street.

St. Vincent De Paul Helps Mone Family -- Living Quarters Needed

Once again the St. Vincent De Paul Society, Our Lady of Perpetual Help Conference, has extended a helping hand to a family in need.

Last week the Daly City Record printed the story of Mr. and Mrs. Leroy Mone, 57 Gambetta, who with their six young children faced eviction and separation. Mr. Mone had just got a $40 a week job, but the family had neither a place to live after Monday, or enough food.

An official of the St. Vincent De Paul Society in Daly City read the article and immediately contacted the family.

A city-wide search for decent living quarters was instituted, but nothing suitable was found in Daly City.

The Society then called on Mayor Green, James Kennedy and Ed Mooney, who did all they could to locate a home for the family. Unable to find a home here, the family moved to quarters in San Francisco. Their new "residence" is described as follows by a Society official.

"One small room, two double mattresses for the six children, no stove or running water. Cooking is done over an electric heater. The rent is $40 a month."

Mrs. Mone is happy to have even a roof over her family, but she fears that unless larger quarters are found she will have to give up two of her smaller children.

"I'm satisfied. We have enough to eat, but there just isn't enough room to live," Mrs. Mone explained. "We'd give anything for decent living quarters."

The "anything," however, has to be $40 a month or under, as Mr. Mone is now working for a candy firm at only $40 a week.

A Society official asserted that the family was "very deserving," and the Mones seem to "be doing everything in their power" to hold the children together.

Presently, the central Society office is looking for living quarters for the family. However, they have little chance for success, as "there are 75 other families in the same economic stress" seeking houses.

If you know of any place for the Mones, please contact either the St. Vincent De Paul Society or the Daly City Record at JUniper 7-4321.

Lions To Drop Flying Saucers On D. C. Sunday

"Flying Saucers," worth valuable prizes, will be dropping in Daly City sometime this Sunday, the Lions Club announced today.

But don't get excited. The "saucers" aren't from outer space or any unfriendly country; only from a package of paper plates.

The saucers, or plates, will be printed with information concerning the fourth annual Lions Show on May 2.

About 500 of the saucers will be dropped over the Daly City area by plane. The time of their landing is still in question. Wind and weather conditions will determine this factor.

Every tenth plate will be worth a valuable gift at the Lions show, a club official said.

Easter Egg Hunt Saturday --- Unless Rained Out Again

The Easter Egg hunt scheduled for Saturday, April 8, was rained out, but there will be another egg hunt held this Saturday, April 15.

The time is still set for 11 a.m. and the two sites remain unchanged.

Mrs. Heagney did a splendid job as chairman for the egg coloring committee, as did her co-workers, Mrs. Kennedy, Mrs. Thur, and Mrs. Saarinen with the girls from their respective troops of Girl Scouts.

The Recreation Department wants to thank all of you kind people who arrived Saturday to aid in the hunt.

In the event of rain, it might do it again, the hunt will be canceled and the eggs will be distributed in the schools. In the distribution of the eggs each room will have an opportunity to pick out a lucky prize egg. The eggs will be placed in a box, held in a position so the eggs will not be visible to the person reaching for an egg, and each pupil will be given one chance at selecting an Easter egg.

This should be a fair and exciting method of distributing the eggs to the youngsters. In all fairness to the youngsters though, it is sincerely hoped that the hunt will not be canceled.

Another Bad Check Passed At King's Market

Another bogus check was allegedly passed this week by a John F. Kelly, Daly City police report today.

The check for $58.41 was passed at King's Market Monday afternoon. It was made out to Kelly, and signed by Charles E. Hires Co., of San Francisco.

A similar check for $56.54 was cashed by Kelly at Lucca Market, 7370 Mission, March 23. This check also bounced, police said.

Obtain CDA Convention Reservations Now

Banquet reservations for the Catholic Daughters of America convention now may be obtained at the Palace Hotel, San Francisco.

Deadline for obtaining these reservations is May 18. The convention is to be held in the latter part of May.

Those wishing to attend are asked to contact Grand Regent Elizabeth Wettstein at AT 2-2418.

S. M. County Tax Increase Expected; $12,000,000 Asked

Look for an increase in the present $1.81 tax rate in San Mateo county.

County department heads this week submitted a $12,000,000 budget for the operation of county government during the fiscal year 1950-51. If this budget is approved, tax boosts appear inevitable.

Department requests amount to $859,291 more than the supervisors allowed last year. The requests have been forwarded to Controller Fred Beer, who will turn them over to the supervisors April 15.

Current budget for this fiscal year is $11,323,973. Since 1946, county expenditures have shot up from $5,330,005 to the current budget. This represents a jump each year of approximately $2,000,000. However, this year's re-

(Continued on Page 2)

Local Residents Donate Blood

Adding their blood to the San Mateo County Blood bank recently were 10 Colma and Daly City residents.

All of the donors appeared at the bank for the first time. They were Henry T. Cole, Mrs. Henry Cole, E. G. Lanza, Colombo Benedetti, Louis Nannini, Holle O. Jones, George Riccomi, August Masini and Gino Paoli.

County Recorder Office Does Record Business

The amount of fees collected, and number of papers handled by the county recorder's office last month hit an all-time high, Ruth Kirste, recorder, reported today.

There were 6,988 papers processed, to bring the office a total of $18,912 in fees. This compares with 5,061 papers and a total of $13,221 for the same time in 1949.

Even the marriages were up, with 125 reported as against 114 for March, 1949.

Letter To The Editor

Reader Asks Everyone To Vote Wisely

The latter part of the month of May, there will be an election of greatest importance.

(Ed. Note: Jefferson Elementary school board election, May 19. There are two candidates, D. C. Gensel and Mike Callan, incumbent, for the position of trustee on the board.)

Although the number of votes cast is usually not so large, we should be aware that the choice on this ballot might greatly determine the education of your child, the expenditure of your money, and the prestige of your school system.

Give serious thought to the names on the ballot. Choose a person qualified for this important office. Choose a person with an understanding of children's educational needs and one familiar with the teaching and administrative problems. Last but not least, every efficiently operated school board should have a member with a thorough knowledge of business principles and understand their application to school operation.

Don't base your choice on social background or political affiliations —neither one pertain to good sound school management — anymore than the criticism of the person who only occasionally, if ever, attends the school board meetings to openly discuss problems with the proper authorities.

HELEN CHEATHAM

Reader Objects To Minstrel Show

To the editor:

While I heartily subscribe to the Eagles Memorial Foundation fund drive which will benefit war orphans of Eagle members, I bitterly resent their presentation of a minstrel show as a means to this end.

If the Eagles sincerely believe in the democratic ideals of equality and justice, how can they justify a minstrel show that consciously or unconciously tends to support the prejudice and bigotry of those who would relegate the Negro people to third class citizenship?

Terms used during the show such as "black trash," "pickaninny," "lazy bones," and caricatures used that implied ignorance, immorality, and childishness of the Negro people serve to perpetrate a stereotype of an oppressed minority that is manifestly false and undemocratic. Taken singly, the effect of the minstrel show is not too great, however, when related to the subservient position of the Negro in comic books, radio, and movies the effect becomes dangerously negative.

Discrimination is a serious problem and must be solved through education. Shows of this type serve to prolong the struggle towards true democracy.

FRANK ESPINAL
40 Werner avenue

Words Of Appreciation For Mayor Paul Green

To the Editor:

I would like to mention a few words in regard to Mayor Paul Green.

He is known to be a man of integrity, finest of qualifications, honest, truthful and a square shooter.

I am very glad to say I found him just that kind of a person.

I happen to be one of the tenants who had to vacate from my home on Alp avenue and Mission street in order that the new War Memorial building can be erected in the very near future.

I wish to say how wonderful Mayor Green was about everything, to all the tenants. Not one of the tenants was evicted immediately. He gave us all ample time to find desirable homes in which to live.

I think it only fair to Mayor Green that the people of Daly City should know how wonderful he conducted everything in regard to the proposition.

The people of Daly City should feel proud to have a mayor of his ability and character, as mayor of Daly City. Without a doubt he will make Daly City one grand progressive city in San Mateo county in which to live.

MRS. MAY MEYERS

A Resident Asks For Boys Club Support

To the Editor:

A visit to the Boys Club over the Lombardi garage showed the club to be in pretty bad shape.

But there is nothing wrong with it that a few dollars and interest on the part of parents and good citizens couldn't fix. It needs cleaning up, and some repairing; minor things, such as broken windows, holes in the inside wall cover, and such.

It could all be done in a couple of days if enough interested parents who aren't afraid of work would turn to, roll up their sleeves, and dig in. How about it parents? It isn't too much to ask, is it, for hours, weeks and months of good, clean, healthful recreation for your sons? To say nothing of the possibility that it may be the means of keeping your son out of trouble? After all, you have worked years to bring him up thus far. Why turn him out onto the streets now, with the possibility of getting into trouble and undoing all the good you have done? Bringing to naught, or worse, all the years you have spent loving him and working for him?

Think it over. It could be your boy, or your boy, or my boy. But if it is MY boy, it won't be because I haven't tried. Can YOU say the same? Trouble comes to boys because of too much time on their hands and too few things of interest to do with that time.

You owe it to your son and your community to do all in your power; yes, work and money, to provide a place where this energy can be used to better purpose, than, let us say, taking the insignia off of other people's cars.

MRS. E. K. WHINNEN

Words Of Praise For Pete Bordson

Let's give a word of thanks to someone we all take for granted: a grand person who does a lot of good for our community — our poundmaster, Peter Bordson.

He is always ready with a helping hand for everyone, children and adults alike. He calls me whenever he picks up stray dogs and cannot find their owners.

The members of the Be Kind to Animals Club finds homes for these dogs whenever possible, with the help of Mr. Bordson. If dogs could talk they certainly would bark a loud cheer.

I think he deserves a lot of credit and do not believe the people of Daly City realize how much he really does.

Let's give credit where credit is due. Let's not forget the people who do their job, and ask no praise —just a friendly "howdy," and try to be your friend.

Sincerely,

MRS. R. VAN OVER
205 Woodrow street

S. M. County Tax Increase Expected

(Continued from Page 1)

quest falls under one million dollars.

The supervisors will confer with each department head before the preliminary budget is ready for a public hearing, June 10.

Biggest single increase this year is in county employes wages. Salary requests are $386,957 over the previous fiscal year sum of $2,922,863.

This can be accounted for by the increased number of workers and the greater length of service for county employes.

Other increases in the budgets include: maintenance and operation, $200,000 over the current level; courthouse construction, $100,000, boosting the funds to $500,000; jail construction, $50,000; sheriff's department, $40,000 above last year; health and welfare department, $6,633,307, or more than half the total amount of the budget: social services, $4,973,947.

No estimates are yet available on what increase may be expected of the county tax rate of $1.81. However, with the county resuming contribution to old-age and blind assistance, an increase near the 1949-50 rate of $2.26 is expected.

IMPORTANT DATES NEXT WEEK

April 12, 1861, Fort Sumter fired on, starting Civil War.

April 14 — Pan American Day.

April 15 — Library of Congress California Centennial exhibition goes on display at San Francisco Public Library, Civic Center.

April 15, 1839, Russian government ordered Fort Ross abandoned.

April 15, 1850, San Francisco incorporated.

NEWS FROM THE SCHOOLS

CROCKER

A.M. SESSION

Room 6 — Room 6 has been studying thermometers. They have learned that mercury freezes in cold areas and that alcohol is used instead. The class has practiced changing the reading of a Fahrenheit thermometer to that of the Centigrade and vice versa.

Many pupils are working on charts and graphs in preparation for Public Schools Week.

Room 5 — Some of the students in Room 5 have made safety posters, while others are still working on theirs. The class is in the process of completing a large map of Europe, which will be exhibited during Public Schools Week.

Our social studies concern us with Belgium and Netherlands. The two small countries have had a rather large place in history. Many news items are to be found in the newspapers about these countries today.

REGULAR SESSION

Room 4 — The students of the sixth grade have been engrossed in their study of the smallest of the continents, Australia. Various pupils have made very interesting maps which are on display on the wall just outside of Room 4.

Rapid strides are being taken to obtain command of the apostrophe and quotation marks. A much better understanding of this phase of English was garnered from a series of film strips which the students recently viewed.

Room 3 — Final plans are being made in Room 3 for Public Schools Week. We have chosen the projects that we most want our parents and friends to see, and have decided how they will be displayed. In addition to his own work each child has a share in the work on general display.

We have made individual maps of California showing in picture the fruit, vegetables, and crops of the state. These will be a part of our own map books.

The class will miss the smiling face of Betty Rankin, who has transferred to San Francisco.

P.M. SESSION

Room 6 — In social studies the children of Room 6 are now reading about Belgium and the Netherlands. They have found that Belgium is largely an industrial nation, while Holland is mainly an agricultural one. Many of the lovely tulips which are so familiar to us come from bulbs grown in Holland.

The mural being drawn depicting feudal life of Europe is nearing completion.

A group is planning a fishing trip to Fisherman's Wharf during their Easter vacation.

Room 1 — The use of the compass and the construction of squares and rectangles and parallelograms with the compass and ruler has captured the interest of the students of Room 1. The fact that they are dealing with a process that actually can be seen and not something which is abstract, probably has a great deal to do with the interest being high.

A very nice project on map work, which will be on exhibit during Public Schools Week, is nearing completion. The students deserving credit for a job well done are as follows: Rough work, James Passarelli; India ink work, Darlene Haynes; coloring, Angela Lufrano and Lenita Johnson.

James Snell, Walter Huntsman, Bob Carreiro, and several other boys are as nervous as a rookie making his first major league appearance, in anticipation of their opening game with Jefferson on April 1.

JEFFERSON

Mrs. Pauline Kagan, art supervisor of the Jefferson elementary school district entertained Mr. Pagani's seventh grade class at Jefferson school last Thursday morning, April 30, with a talk about the British Isles.

Mrs. Kagan spent four months in the British Isles in 1939 cutting her stay short when the British government asked all "foreigners" to return to their homelands because of threat of war.

Mrs. Kagan traced her trip from Bakersfield, California, across the United States to New York, crossing the Atlantic on the Bremen to Southhampton and thence by car to many places of historic interest.

The class was very interested in comparing the coins used in Great Britain with those used by us. Terminology commonly in use; changing the guard at Buckingham Palace; Westminister Abbey; London Bridge; Dickens Old Curiosity Shop; and the description of Big Ben and the Bloody Tower;

Around Town

(Continued from page 1)

ery usually displayed by well-dressed men and women. Except for an occasional new bonnet, or dress, women appeared to have had spent more time trying to balance the family budget than shopping. We wandered through Golden Gate park last Sunday, but spotted only a few new dresses, or men's suits. What was that about five million expected unemployed this summer?

Police paid a hurried visit to Jefferson High school last week to answer a burglar alarm. When they arrived, they found the front door of the school open and the "burglar" within. A few minutes later they had apprehended the trespasser, whose face was a bright, blushing red. Seems one of the teachers had returned to the school before vacation was over, and had forgotten he'd set off the alarm by opening the door.

Then there is the nine-year-old boy in Broadmoor who listened to too many radio programs and read comic books. The youth last Sunday and Monday put in some 50 calls to a San Francisco woman, warning her she would die at midnight. He made the announcement more effective by telling her the source of the call was the San Francisco morgue. Police report the woman is doing nicely today, but the boy is standing up to read his comic books.

Who says there aren't honest people in this world? Joseph Casau, 400 Templeton, lost his wallet, containing $70, on Templeton March 23. Although almost certain it wouldn't be returned, he advertised for the wallet in the Daly City Record classified column. Mrs. William N. Wallace, 683 Templeton, read the advertisement, promptly called Casau, and notified him she had his wallet. Overjoyed at finding the money, Casau gave Mrs. Wallace $35 and a one-year subscription to the Daly City Record. But, more important, Casau said it "made me feel good inside" to know there are still honest people. And honest, Mrs. Wallace really is . . . there was no identification of any nature in the wallet. Which leads to another truth . . . "It pays to advertise, at least in your Daly City Record."

Facts From a Dictionary — The only word in the English language in which three double-letter combinations occur consecutively is "bookkeeper" . . . The only word with one vowel and eight consonants is "strengths" . . . The first sentence ever spoken by man, reads the same backwards as forwards, "Madam, I'm Adam" . . . And the noun, "woman," they say, is derived from the phrase, "woe to man."

Police Sergeant Bill Bolger will be observing his 42nd year in Daly City, May 1. This bit of information came to light Tuesday, when a gentleman dropped into the police station for a business license. His place of business was on Oak Grove street in San Francisco.

LITERARY CENTENNIAL—Dr. Gustave O. Arlt, left, Director of the Literary Centennial, confers with Leslie E. Bliss, Librarian of the Huntington Library, on California items to be reproduced as part of Literary Centennial program.

Sgt. Bolger didn't recognize the street. "Been away from San Francisco a long time, now," he explained. "Lived there, between First and Second." In truth, Sgt. Bolger had forgotten his native city. Oak Grove, the gentleman said, is only four blocks from where the sergeant formerly resided.

COLMA --- BROADMOOR GARDEN VILLAGE

AROUND THE VILLAGES

with Verna Duste

In answer to a few telephone calls last week, asking for information about the latest topic of interest in Broadmoor — the upkeep assessment — we present The Answer!!

As each prospective owner of a Broadmoor home signs the closing papers, he automatically becomes a member of the Broadmoor Property Owners Association, which consists of all homeowners in Broadmoor Village. With or without his consent, there is due on his property a sum of 50c per month, usually payable yearly. Those (and they are in the majority) who are buying their homes through the San Francisco Bank are making this payment automatically by reason of the fact that it is deducted from their payment each month.

One of the most popular fallacies rampant today is that the Association receives these monies from the S.F. Bank, other banks, and individuals each and every month. This is an error, since the San Francisco Bank turns over the money twice a year.

Many residents have become delinquent, largely through ignorance of the very existence of the Association, in their payments, and so a notice was sent out, notifying each resident who was delinquent that his payment was due and payable.

This notice gave rise naturally, to a great deal of comment, chief of which was — "That's a lot of money to have one tree trimmed twice a year." Sure it is, and would be, if that were all that was done with it. But if the lady who spoke thus rather hastily will hie herself up to the Community Center on White street and look over the beautiful new addition to the Center, to say nothing of the vents in the roof and yea, even the insurance on the plate glass windows, she will see that the money goes much further than her front yard, and even her neighbor's front yard.

Likewise, there is undoubtedly on the nearest corner to her house, a street sign, which obviates the constant ringing of her doorbell with requests of "Hey, lady, where is MacArthur drive?" What? ? the pole is bent and unsightly — some motorist knocked it out of shape? Well, it's on the list to be straightened—soon, and with your money.

Of course, every homeowners' association has its headaches — a playground unfinished because of interference with peoples' privacy —general indifference to Association meetings and endeavors, but such things are to be ironed out in the future, and each Board sees a few more interested people—interested in the welfare of their fellow residents as well as of themselves.

Soap-boxing it? Much ado about nothing? ? I don't know — even after two and a half years at it, I just don't know. But I do know this — I'm proud to have done my little bit. The next General Meeting of the Association is May 5. There are four vacancies on the Board.

WILL YOUR NAME BE ON THE BALLOT? ?

NO? What's the story? Oh, you haven't the background — well, give a look at the roster of occupations on the present board. A jeweler, a butcher, a lawyer, a housewife, a real estate broker, and a secretary, to name just some. Trades and professions represented here — and proudly, too!

Once again, WILL YOUR NAME BE ON THE BALLOT? Better get it on, your neighbor might surprise you and run for the office of director, if not president!

Professional "Barker" To Help Cub Pack No. 84

Giving the boys of Cub Pack No. 84 a helping hand in the coming Cub-o-Rette, April 23, will be professional side show barker Audrey Monroe.

Audrey will be bringing them into the comic strip show now being planned by the pack. Each of the Dens will be represented, via masks and costumes, various character is the favorite comic strips.

Also, doing a little shouting of their own, the members of the pack will sell home made candy and cookies at the big show, as well as operate several games of skill.

Everyone is invited to attend the North District Annual Cub-o-Rette, which will be held in San Bruno park at 2;30 p.m. More details will be found in next week's Record.

Mearwhile, last week, the members were busy making gifts for their parents. The gifts were distributed Easter, and consisted of plastic figures, shadow boxes, key chains, wall plaques and waste paper baskets.

BAYSHORE ACTIVITIES

By Bernice Hendryx JUniper 4-6449

Two dances were given in Bayshore the same evening on April Fool's Nite, and both were very successful. The Improvement Club and the Mr. and Mrs. Club were sponsors, and couples spent the evening going from one to the other, and a good time was had by all. The Mr. and Mrs. Club, located in our Naval Project Club had Joe Mendel, one time owner of Taits at the Beach.

The Bayshore troop of Boy Scouts went to Camp Lilienthal for a three-and-a-half-day holiday. Their agenda included a fifteen-mile hike, and we hear that on trips like this, they do all of their own cooking, building their own fires, carrying their own provisions and such. Wouldn't you like to set down to one of your son's home-cooked meals, mother?

Our pastor of the Baptist church, The Rev. Widenham, went to Mt. Herman this week for a meeting of the Bay Cities Baptist Unions gathering. He left Monday and came back Wednesday evening. Mt. Herman, in the Santa Cruz mountains, is a lovely spot, much talked of by vacationers.

Warm Gesture

A warm little gesture by the Camp Fire Girls was recently noted. They drew $24 from their funds and bought 24 boxes of mints, to be donated to the Mt. St. Joseph's Orphanage. They also had a distinguished guest, in the form of Joe Gurnoe, an honorary chief of the Chippawa Indian tribe, who raised their back hair with tales of the old days, and helped with their study of Indian customs.

Troop 43 of the Girl Scouts took advantage of the exceptional weather last week, and threw themselves an Easter egg hunt at McLaren park. Picked the warmest day of the year for their outing.

Our Cub Dens are flourishing again in Bayshore, and Mr. Earl Frank, Cubmaster, is very pleased. We have four dens here, with eight boys to a den. The only thing that mars his otherwise cloudless sky is the fact that they need another den mother. There are enough children interested in the Cub Packs to make up another den, so mothers, come to the rescue. It is splendid training for the youngsters, and Mr. Frank will be appreciative of your help.

Mrs. Mary Ellen Dirks of 912 Schwerin street flew to Salt Lake City to attend funeral rites for her mother. We understand that death occurred after an extensive illness. Her father and two brothers motored her home, and lingered for a visit.

Congratulations

Congratulations go to the James Madden family, residents of the Project, for the arrival of their baby girl. June went to Oak Knoll hospital for the event.

The Harry Hermanns of 886 Schwerin had a disappointing week end. Harry's mother and dad, due here from Los Angeles, sent last minute word that their car refused to come up here, so they all stayed home.

Mr. and Mrs. Filarski made a trip to Fresno and Hanford, taking Alene's mother home en route. They reported that it was wet down there too.

Mr. Sarandis of 273 Oriente went to Sacramento for an Easter visit with her daughter. A small but satisfactory vacation.

Two improvements have been noted at our Baptist church. New aisle carpets are a welcome addition, and for the first time, Easter Sunday, chimes were heard from the church. Pastor Widenham tells us that they had a loud speaker and a collection of chime records, and in the future, Sunday worshippers in the immediate neighborhood will be called to church at eleven by the chimes.

The church's showing of the picture, "The King of Kings," last Friday evening was the beginning of a new church program here, and we hope to have more of these things in the future. Easter Sunday itself was observed with an extensive song service and the message was "Joyous Morn."

One thing we think should be mentioned is the Story Hour at the church at 6:30 on Sunday evenings for the youngsters.

Announcements

A PTA meeting will be held Friday, April 14, at 1:30 p.m. at the school auditorium.

April 20: Bay Cities Baptist Union 31st annual meeting, at First Baptist church, San Francisco. It's an all-day meeting, dinner at 6 p.m. Reservations must be in soon.

Local Man In Bayshore Wreck

James R. Filippo, 18, 98 Templeton, was a driver "after the wreck" in an automobile accident in the pre-dawn hours last Thursday on Bayshore highway.

The Daly City youth crashed into a wreck of three Hamilton Air Force base soldiers in San Mateo. The soldiers earlier ran their car into the back of a trailer.

Police report Filippo was not hurt, although his car will need some extensive repairs on the fenders and grillework.

Two Candidates Seek Bayshore Board Position

Residents of Bayshore will be asked to elect a new member to the Bayshore Elementary school board May 19.

Two candidates have filed for the election. The incumbent, Mrs. Emma Taylor, 239 McDonald, says she will not seek re-election.

With the filing for the position closed, there are two residents seeking the position. They are Mrs. Bertha Hughes, 34, 996 Schwerin street, and David Barry Jr., 30, 814 Schwerin street.

Mrs. Hughes, a bookkeeper, has been a resident of the community for the past 19 years. She is past president of the Bayshore Elementary school PTA, and the mother of a 13-year-old boy.

Barry is past commander of VFW Post No. 3939, Hunters Point, and the father of two children.

Record To Feature Bayshore Column

Still, another new feature has been added to your Daly City Record this week — the Bayshore column.

Henceforth, the Daly City Record will give the residents of the Bayshore - Visitacion Valley area a full report on activities concerning their neighbors and organizations.

Items of interest to you or your friends may be phoned into Mrs. Bernice Hendryx, JUniper 4-6449, or the Daly City Record, JUniper 7-4321. There is no charge for this service.

Subscriptions to the Daly City Record may be obtained by calling either of the aforesaid numbers.

MAY BREAK INSULATORS

It may seem, offhand, that there is no relation between a lean carburetor mixture and a broken spark plug insulator, states the National Automobile Club. Yet the latter sometimes breaks from excessive heat caused by a lean mixture.

The Red Malaga grape enjoys an early-season demand.

Engineers Propose Six Lane Bayshore Highway To Relieve Traffic Congestion

Bayshore Highway, between South San Francisco and San Francisco, soon may be six lanes, instead of four.

Recommendations for the change have been submitted to the state highway commission, it was learned this week. The recommendation was made by the district highway office.

The project, if it goes through, is expected to relieve the heavy pressure on the highway now running through Brisbane and Visitacion Valley.

Estimated cost of the project would be $340,000, pending accumulation of the $8,000,000 needed to complete the freeway in the county.

The next step is a recommendation for the job by the state highway engineer, and, then, approval by the state highway commission.

Traffic interchanges at Brisbane and Visitacion Valley are not included in the interim project.

Del Norte county was created in 1857.

Cable cars were invented in San Francisco.

Vandals Break Into Lumber Co., Jefferson High

Vandals made a week end of it in Daly City Saturday and Sunday, breaking into the Gillon Lumber Co., 1859 Junipero Serra, and the Jefferson High school cafeteria.

Sometime Saturday evening, unidentified thugs smashed a window in the lumber company's office, entered, and broke up office equipment, including telephones, light switches and an adding machine.

Not satisfied with the damage, the vandals backed a truck out of the company's warehouse, rammed it into the west side of the warehouse, and turned and drove it into the gate on Railroad avenue. They started to take the truck out of the yard, but were stopped when a metal trash can became jammed between the dual back wheels.

Another act of vandalism was reported at the Jefferson High school cafeteria Sunday morning, when someone pried the back door off the cafe, entered and, using a meat cleaver and hammer, destroyed bottles and cans of food. He, or they, also threw mustard over the floor and walls.

WHERE THE CHURCH IS THERE'S LIGHT!

If you are living your life and bringing up your family without any Church connection, here is a question worth considering.

Have you ever noticed how a Church—no matter how unpretentious—seems to light up the spot on which it stands?

Somehow one feels more comfortable, more contented, when looking at a Church. It speaks words of reassurance. Its very presence breathes hope.

You are not religious, you say? Even so, the Church at the side of the road makes the way brighter. It lends dignity and safety. It is a place where everyone is welcome in time of trouble.

No doubt you will admit that this is all true. Then why not go farther? Take an active interest in the institution whose mission it is to carry light into dark corners and bring hope to heavy hearts!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SOCIETY

New Grace Presbyterian Church Sanctuary Now Under Construction

The Grace Presbyterian church will soon be the meeting place for the Assembly of God Congregation.

At a business meeting last Monday, the Assembly church agreed to purchase the Grace church land at Evergreen and Hanover streets.

This step was taken, following the announcement that a new sanctuary for the Grace Presbyterian church is now under construction at the corner of Winchester and Crocker.

The Grace Presbyterian church members will continue to meet at the Evergreen and Hanover location until the new building is completed.

The Assembly of God Congregation will use the church at Hanover and Evergreen for their services Sunday afternoon and evening, as well as part time during the week.

Full details on the new Grace Presbyterian church will be published in next week's Daly City Record.

JUNIOR HORSE SHOW

The Concord Flying Horsemen's First Annual Junior Horse Show will be held at the Mount Diablo Trail Ride Grounds in Concord, California, at 1 p.m. on Sunday, April 16, according to the National Automobile Club.

Jointly sponsored by the Concord Junior Chamber of Commerce and the Mount Diablo Trail Ride Association, the show will include sixteen events for entrants up to seventeen years of age and these events will be judged by former Junior State Champion Horsemen and Horsewomen.

Nebraska produces 200 varieties of grass — a number not exceeded by any other state in the nation.

LEGAL ADVERTISING

NOTICE OF SALE OF REAL PROPERTY AT PRIVATE SALE

In the Superior Court of the State of California, in and for the City and County of San Francisco. Dept. No. 9.

In the Matter of the Estate of Mary M. Mahony, also known as Mary M. Mahoney, also known as Mary Margaret Mahony, Deceased. No. 52981.

Notice is hereby given that Mary C. Mahony, administratrix of the estate of Mary M. Mahony, also known as Mary M. Mahoney, also known as Mary Margaret Mahony, deceased, will sell at private sale to the highest bidder, for cash, and subject to confirmation by said Superior Court, on the 17th day of April, 1950, or after said date, all of the right, title, interest and estate of said Mary M. Mahony, also known as Mary M. Mahoney, also known as Mary Margaret Mahony, deceased, at the time of her death in and to the real property hereinafter described, and all the right, title and interest that the estate has by operation of law, or otherwise, acquired, other than in addition to that of said decedent at the time of her death in and to that certain real property situate in the County of San Mateo, State of California, and described as follows:

Lots 15 (Fifteen) and 16 (Sixteen) in Block (2) Two of the Oakleigh Park Tract, as said lots and block are laid down and delineated on the official Map thereof, filed for record in the Recorder's Office of the County of San Mateo, State of California, on the 6th day of April, 1910.

Terms and Conditions of Sale: Cash, in lawful money of the United States; 10% of the purchase price to be deposited with the bid and the balance upon confirmation of sale and delivery of deed; instruments of title and title insurance at the expense of the purchaser; taxes to be pro-rated as of the date of delivery of the deed; all bids or offers must be made in writing accompanied by cash or certified check for 10% of the amount bid and will be received by the undersigned administratrix personally or at the office of her attorney, Charles P. Knights, 929 Mills Building, San Francisco, California, or may be filed in the office of the clerk of the above entitled court at any time after the first publication of this notice and before the making of said sale; the undersigned reserves the right to refuse any and all bids and offers.

Dated: March 27, 1950.

MARY C. MAHONY, Administratrix of the estate of said decedent.

CHARLES P. KNIGHTS, attorney for administratrix, 929 Mills Building, San Francisco, California.

April 11 — Frances Landi, Box 387, Colma; Mrs. Leslie E. Scott, 162 Willits street.

April 12 — W. C. Olsen, 552 McArthur drive.

April 13 — R. J. McVanner, Box 524, Colma.

April 14 — Frank Moore, 150 Edgemar; Rosa Pesce, 1019 Washington.

Winners Announced In Legion Poppy Poster Contest

Young artists from Daly City schools recently competed in a contest for the best original poster to advertise the May sale of American Legion Auxiliary No. 410 "Buddy Poppies."

The winners, announced this week, will have their entries judged in the district competition. If they win here, they will be sent on to the state, and to the national.

Only the first place winners in each division are to have their work sent to the district.

Winners include:

Group I (4-5-6 Grades)—Delores Powell, first; Phyllis Cormack, and Patricia Norris. The three students are from Crocker school.

Group II (7-8-9 Grades) — Irene Ghigliazza, Jefferson High, first; Irene Wilson, Jefferson elementary; Joanne Beckmann, Jefferson High.

Group III (10-11-12 Grades) — Bernardo Merino, first; John Sweet and Lorraine Bergstrom. The three students are from Jefferson High school.

CHILDREN AT PLAY

Expect the unexpected when you are driving near schools, warns the California State Automobile Association. Remember, children at play are impetuous and thoughtless. Keep alert and be prepared to stop quickly if a youngster runs into the street.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

In the Matter of the Application of HENRY STEELE for leave to change his name to FREDERICK SCHEIDEGGER.

HENRY STEELE having filed with the Clerk of this Court his Petition for leave to change the name of HENRY STEELE to FREDERICK SCHEIDEGGER, and good cause appearing therefor;

IT IS HEREBY ORDERED that all persons interested in this matter appear before the above entitled Court, Department No. 1 thereof, on the 17th day of April, 1950, at the hour of 10 A.M. o'clock at the Court House, Redwood City, California, and then and there show cause, if any they may have, why the application of petitioner should not be granted.

IT IS FURTHER ORDERED that a copy of this Order To Show Cause be published in the Daly City Record, a newspaper of general circulation, printed and published in the City of Daly City, County of San Mateo, State of California, for five (5) successive weeks next preceding the date set for the hearing thereof.

DONE IN OPEN COURT this 13th day of March, 1950.

A. R. COTTON
Judge of the Superior Court

Couple Observe Golden Wedding Anniversary

Mr. and Mrs. Andrew Evensen, 50 Wilson street, celebrated their Golden Wedding anniversary on March 10, 1950, by taking a brief trip to Eureka.

They said they would have held a party, but have gained so many friends in the past 50 years, that if anyone was forgotten to be invited might be a lost friend.

"We had known each other for several years, and after his return from the Philippines in the Spanish-American War we were engaged, and later married on March 10, 1900," Mrs. Evensen said.

"We have resided at the same address in Daly City, our home at 50 Wilson street, since August, 1902.

"We have one son, Arthur.

"Mr. Evensen is retired from the San Francisco Medical Depot of the United States government, and is a charter member of the Nelson A. Miles Camp, USWV in San Francisco.

"Our 50 years of married life have been pleasant ones, and has been a regular routine as it would be for most married people," Mrs. Evensen concluded.

Court St. Mary Mardi Gras Coming Thursday, April 20

Just a reminder to members and friends of Court St. Mary No. 1155, CDA, the Mardi Gras celebration is scheduled for next Thursday night, April 20.

Tickets for the event may be obtained at the door of Masonic Hall, 17 Hillcrest drive, where the event is to be held Thursday night. Starting time for the Mardi Gras is 8 p.m.

However, the affair is open only to members of the Court and their friends. Admission is by ticket only.

The ladies are decorating the Masonic Hall in the style of a Mardi Gras, and will have several booths offering various items from dolls to food for sale.

All proceeds from the vent are to be used by the Court for its many charitable enterprises.

Gen. Pershing PTA Schedules May Day Hot Dog Sale

by Mrs. E. K. Whinnen

The coming May Day festival in Daly City, will be a busy one for the women of General Pershing PTA executive board.

This is the day General Pershing PTA sells hot dogs at a booth on the festival grounds, and the customers order hot dogs faster than the women can scoop up a hot dog, snap it into a bun, and dab on the mustard.

All you people who are going to be hungry at the May Day festival, be sure and look up the General Pershing PTA hot dog booth, and in the shortest time, get the best hot dog you have ever tasted.

Rain postponed the Easter egg hunt in the Crocker hills to this coming Saturday. Many of the members will help with it and assistance has also been promised by Scout Troop 249, Scoutmastered by Dick Traxler. The boys will clean up the area of the hunt and help to keep order.

The installation dinner drew the expected crowd of members and families, school and PTA dignitaries and city officials. All seats were taken and more tables hastily improvised for extra children and one lone adult.

The installation ceremony, conducted by Mrs. G. J. Sirex, unit counselor and president-elect of 17th district CCPT, carried out the daisy theme, and as each officer was installed, and instructed in her duties, she inserted a petal of the daisy, in the daisy centerpiece, till the last officer was installed and the daisy complete. Mrs. Sirex said she hoped the biulding of the daisy would signify the building of a bigger and better PTA for Pershing.

Besides Mrs. Sirex, the dinner was honored by the presence of Miss Pansy Jewett Abbott, county superintendent, district superintendent James and Mrs. Snell, Mrs. J. M. Foley, 17th district CCPT president, outgoing, and Mrs. H. P. Eder, hospitality chairman for 17th district.

The centerpieces running the length of each table, consisted of stalks, calla lillies, camillias, and daisies, with plastic foam rabbits, ducks and little chicks in pink and white, among the flowers and foliage.

The plastic birds and animals were made by the Cubs in Pack 62.

Local Catholics To Attend Mass Centennial

Catholic leaders in Daly City are organizing a delegation of persons of all faiths to attend the Solemn Eucharistic Congress which will be held as a centennial observance in Sacramento this month.

The congress, marking the 100th anniversary of the first Catholic Mass in Sacramento, will take place April 28, 29 and 30.

Thousands of persons of all faiths from all parts of the state are expected to attend the event. Special trains, buses and car caravans are being organized in many cities.

Climax of the three-day observance will be the celebration of a Solemn Pontifical Mass at noon in front of the State Fair Grounds grandstand, with Bishop Robert Armstrong of the Sacramento Diocese as the celebrant and Samuel Cardinal Stritch of Chicago preaching the sermon.

Cardinal Stritch heads a list of high church dignitaries from all parts of the West who plan to attend the congress.

The ceremonies will open with a Solemn Pontifical Mass in the Cathedral of the Blessed Sacrament at 11 a.m. Friday, April 28, which has been designated Clergy Day. Sunday will be dedicated to the laity.

Joint Bethel Meeting, April 21

A joint meeting of Bethel No. 198, OJD, and San Bruno Bethel No. 68 will be held Friday, April 21.

The meeting will begin at 7:30 p.m. in Masonic Hall, 17 Hillcrest drive.

Refreshments and entertainment will follow the regular business session. On the committee for the evening are: Gloria Durant, chairman; Joan Hellesto, Joanne Kahn, Frances Sunderman and Carol Clayholt.

Mearwhile, choirs of Bethels No. 26, 51 and 183 joined with the members of Bethel No. 198, April 7, to conduct a meeting.

Guests for the evening were Mrs. Evelyn Finley, grand guardian of the state, and Mrs. Louis K. Harper Jr., associated grand guardian.

SPRING GARDEN SHOW EXHIBIT

Redwoods Earmark "Pacifica," Oakland Garden Show Scheduled For April 21

The tall stately redwoods that earmark the world famous California Spring Garden Show in Oakland are in place, heralding the approach of "Pacifica" the 1950 show which opens April 21 in the civic exposition and auditorium buildings at 10th and Fallon streets.

"Pacifica" as a theme will form a background for the panoramic beauty of the west coast of the United States where rugged coast line merges into quiet lagoons, and here and there a home set in a garden delights the eye of the beholder.

Into "Pacifica" will go all the splendor of the finest specimens of flowers grown in the area—masses of vivid rhododendrons, azaleas, tulips, hyacinths, amaryllis, roses; the lush magnificence of rarer plants and flowers and thousands of trees brought in from the mountains. Through the wooded scene will be seen the misty spray of a ceiling high bridal veil falls, plunging into a long lagoon extending far out into the theme building.

One of the more brilliant exhibits in the show will be that of the California Orchid Society, whose hundreds of members have united efforts to effect a varied and handsome display. Their exhibit is of particular interest since it is being shown in conjunction with the convention of the American Orchid Society gathering here for an annual conclave. Ferns also will be seen in profusion including the noted collection of J. L. Powell and the 20 foot tree ferns of the Golden Gate Park exhibit — this year surrounding the outdoor waterfall.

Garden club settings will predominate in the East Court, directly outside the main theme building — this year called the "Court of the Pacific Nations." From the Island of Maui, word has been received of an exhibit by the Maui Women's Club which will be flown in from Hawaii in time for the April 21 opening. Exotic Island colors will highlight this display, with Anthuriums, heliconias, torch ginger — white Bird of Paradise, Traveler's Palm blooms in light yellow, and masses of spray orchids. Beautiful foliage will be included with masses of ferns and the red, maroon and pinkish toned Ti leaves.

With discovery of the Comstock Lode, in Nevada, the population of approximately 1,000 zoomed to more than 50,000.

Rosemarie Attenisia, Naval School Grad

Rosemarie Attenisia, WAVES, USN, of Daly City was one of the twelfth class to be graduated from the dental technicians school at the Great Lakes Naval Training center this year.

The graduation ceremony for the class was held April 6, marking the termination of four months of study for the dental students.

The school trains selected enlisted personnel in the various subjects pertaining to naval dentistry in order that they may serve as assistants to dental officers aboard ship and at shore establishments.

Irish Republican Ball, April 11

The Irish Republican Clubs of San Francisco have completed all arrangements for the observance of the thirty-fourth anniversary of the Irish Rising of Easter Week 1916.

Their annual ball will be in the K.R.B. Hall, 1133 Mission street, this Saturday night, April 15. The occasion will serve as a reunion of all sons and daughters of Ireland, and of their friends who adhere to the ideals of the martyrs of Easter Week 1916, and who are resolved to aid in completing the task of restoring the complete independence of Ireland.

The committee, headed by James V. O'Sullivan, chairman, anticipates a full house on Saturday night in the two halls, and a full night's dancing of Irish and popular American numbers will hold sway until one o'clock.

Golden Gate International Exposition opened on Treasure Island in San Francisco Bay January 14, 1939.

Work was begun on the Golden Gate Bridge at San Francisco January 5, 1933 and it was completed May 27, 1937.

Legion Auxiliary Plans Rummage Sale, April 27

Rummaging around today items for a rummage sale and hot lunch, April 27, are members of the American Legion Auxiliary No. 410.

The sale is to be held at the American Legion Hall, 474 San Diego. It appears that many a valuable item, no longer of use to members, will be on the block for one-half to one-third of the original sales price.

And a tip to families with new additions. Many of the items for sale will include baby "equipment."

Meanwhile, Wednesday, April 19, the Auxiliary will initate new members. All members are asked to attend this meeting which will take place in the Hall at 8 p.m.

HOW TO BE A WOLF! — An Intriguing Romantic Sequence in "MY FOOLISH HEART" at the Crest Theatre Sunday

If he says, "Don't be afraid of me making a pass," then watch out!

"Such slim, aristocratic fingers!" Flattery to put you off guard!

"Sit down here and I'll put on a record." Just a music lover!

"Mendelssohn can't stand too much light." No use. Turn it on again!

He wasn't too bad a wolf. Reward him with a "good night" kiss.

KIDDIES BIRTHDAY CLUB

Helping local children to celebrate their birthdays each week, the Crest Theatre, Mission at School, is sponsoring a Kiddie Birthday Club.

Purpose of the club is to give the youngsters special recognition, and gifts at a birthday movie matinee each Saturday.

During the course of the afternoon, the children who celebrated birthdays the previous week are called up on the stage of the theatre. At that time Manager D. E. Albin presents them with a gift, and has the audience sing the birthday song in their honor.

Parents who wish to give their children this special birthday treat may do so by calling Albin at PLaza 5-9852 or PLaza 5-4679. He will take their names and invite them up on the stage for a birthday party that Saturday. There is no cost for this service, Albin said.

In keeping with the spirit of the day, movies will be shown at 1 p.m. Saturday especially of the younger set. The bill this Saturday, April 15, is Pat O'Brien in "A Dangerous Profession" and Roy Rogers in "Frontier Pony Express." Several cartoons also are to be shown.

Last week, Carl Raffo, 9, and his brother Dallas, 4, were guests of honor at the Crest. Carl was presented with a bow and arrow set, while Dallas received a six shooter. Both of the gifts were appropriate, as the film that week centered around the trials and tribulations of Hopalong Cassidy.

Let's have your youngster's name in this column next week.

Funeral Services Held For Former D. C. Fire Chief

(Continued from Page 1)

was a charter member of the Veteran Firmen's Association, as well as past president of that group.

Born in San Francisco, Chesney moved here in 1910. As a former member of the San Francisco Fire Department he was familiar with the activities of blaze busters.

Chesney was employed as a carpenter by the State Harbor Commission, and resigned from this position in 1940.

During his years in Daly City, Chesney ran for the position of city councilman several times, but was defeated. He was active also in organizing various civic groups.

He is survived by his widow, Mrs. May Chesney, who is reported in a critical condition in the Palm Drive hospital.

There is also a son, Ray McChesney; a brother, John, and a sister, Mrs. Hugh McHenry.

Funeral services were conducted by the Daly City Veteran Firemen's Association from the W. C. Lasswell chapel Wednesday afternoon.

Thief Enters Lucca Market Over Week End

Using a 1-inch crowbar, an unidentified thief entered the warehouse behind Lucca Market, 7370 Mission, sometime over the week end, police report today.

However, nothing was taken from the market. Evidently, the thief was frightened away from the storeroom only a few minutes after he had entered.

The management of the store today put a new chain and lock on the warehouse door.

TEEN-AGE DRIVERS

Teen-age boys and girls are inclined to be a little on the reckless side when they climb behind the wheel of a car, points out the public safety department of the National Automobile Club. Parents should strive continually to educate their children in the ways of safe and responsible driving, if they want them to stay out of accidents, or to stay alive.

MEET THE NEWER CAR

Merely because the car owner was familiar with the workings of his old car does not mean that he will know all about his latest model, warns the National Automobile Club. A glance over the instruction book is a good idea regardless of one's general knowledge.

DALY CITY—COLMA

Traffic Patrol boys from Jefferson elementary school will be the guests of the Daly City Lions Club at the Oakland - San Francisco ball game next month.

The Lions do this each year to pay tribute to the boys who give their time and energy to protecting the lives of their fellow students.

As usual, the 16 patrol boys will have box seats on the first base line, and will be given all the hot dogs and pop they can consume.

Further details on the game will be published in the Daly City Record at a later date.

Meanwhile, at their regular meeting Wednesday, Lions had Henry Hall, assistant superintendent of education, as their guest speaker.

Hall who is a candidate for the superintendent of schools position in the June 6 primary, spoke at length on the activities of his office in assisting the elementary schools throughout San Mateo county.

Among the many services offered by the county are visual aid courses, trade courses, and schools for children who are hard of hearing, or have eye trouble. The county also maintains a school for the advanced training of teachers.

"Record" Reminiscence

From the "Record" 10 Years Ago
April 10, 1940

By an approximate 2 to 1 margin, Daly City yesterday re-elected Councilmen Edmund T. Cavagnaro and John J. Fahey. Berton C. Ross, city clerk, and Mrs. Florence Stockton, city treasurer, were overwhelmingly retained in their present offices.

Miss Charlotte Weaitt, local high school senior, represented Jefferson in the county "Americanism" speaking contest at Redwood City, Monday morning.

Evan Gillespie won first prize and Ethel Hill second in the annual National Defense essay contest recently conducted at Jefferson Union high school.

Joe Sarto has been chosen by the county Republican assembly as delegate to state assembly in Hollywood, April 19.

General Pershing PTA will hold a candy sale today, with Mrs. Virginia Davidson acting as chairman.

Jefferson's baseball team won the first Peninsula Athletic League game of the 1940 season Friday, when they took Burlingame with a 13 to 1 score on the Jefferson diamond.

GARDEN VILLAGE ASSOCIATION BOARD ELECTIONS MONDAY NIGHT

All Garden Village residents are asked to be present at the Broadmoor Community Center at 8 p.m. Monday, April 17.

At that time the Garden Village Property Owners Association will hold its annual election for members to the board of directors. There are four openings on the nine-man board to be filled.

Last week the Association nominated Mrs. David W. Griffis, Val Olson, incumbent, Mrs. William Bohn and Dr. Irving Hulbert for the positions.

Other candidates may be nominated by those who attend the Monday night meeting. After the nominations have been closed, the election will be held.

The board of the Garden Village Property Owners Association acts as the "governing" body for approximately 100 families living in the Village.

Court St. Mary's Welcomes New Babies

Three members of Court St. Mary No. 1155, CDA, recently had new additions to their families.

Mrs. Catherine Salisbury, 1813 Church street, San Francisco, past grand regent, is the mother of a baby boy whom first saw the light of day March 28.

Mrs. Katherine Harrington, 36 Rockaway avenue, San Francisco, a sharer of the faith, gave birth to a baby boy March 17.

Mrs. Patricia Lemstrom, 1985 Fulton street, San Francisco, is the proud mother today of a baby girl, born March 17.

There are more than 11,000 lakes in Minnesota.

ENDORSED BY MORE THAN A MILLION VOTES

In 6 Election Years
JACK ANDERSON
Has Polled a Total of
1,101,353 VOTES!
His 10 Opponents Have Received a COMBINED Total of Only 396,127 Votes

The People LIKE His Record!

Experience . . .
The government is a mighty complex business. Jack Anderson is now 2nd ranking member of the entire California Delegation. He ranks high on the House Armed Services Committee. He knows the ropes and Federal officials respect him. Only 46 years old, he is one of the important men in Congress.

Agriculture . . .
Jack Anderson is Chairman of the Agricultural Committee of the California Delegation. He has fought the Eastern Farm Bloc for equal treatment of our specialty crops. Farmers everywhere count on his support.

Defense . . .
Chairman of the House Armed Services Committee, Democrat Carl Vinson says: "Jack Anderson is invaluable to the work of this committee. Of the many Congressmen I have known in my thirty years, he is one of the finest!"

Jobs . . .
Jobs depend on healthy industry or business. Your paycheck is guaranteed only by a profitable enterprise. Anderson works for Federal AID, not CONTROL for Business.

Veterans . . .
Anderson supported the veterans before the G. I. Bill was even proposed. He backed No Vet taxes, G. I. Loans, Education, Housing probes, Mustering Out Pay, more V. A. help. He is endorsed by veterans of all wars.

Labor . . .
Members of Organized Labor are — veterans, home owners, taxpayers . . . Anderson works and votes for the good of All of us. Jack Anderson believes in the principles of true collective bargaining.

SPORTS

FISH AND GAME NOTES

by Jimmy Fox

If the stories of anglers are to be believed, this week end will be a good one for those of us who enjoy a day on the ocean ever so often.

The fishing has been pretty good all week and the weather has also been in a fair mood. Ed Meirding, Rod & Gun prexy, went out for salmon last Saturday and in spite of the rain and high seas got himself a nice 16-pound fish. There were eight other fish taken, all around 10 pounds in weight. Quite a few of the boats, after seeing the high seas under the bridge, turned around and went back home. Those that stayed with it were rewarded with pretty fair fishing.

Bill Tripp of the A-1 Bait & Tackle shop dropped by and said the bass fishing is improving near Antioch. He now has three salmon boats and two bass boats operating out of his bait shop at Geneva and Mission streets.

"S" DAY SUNDAY

Sunday is "S" day (meaning seasick for a few) for the Daly City Rod & Gun Club. This is the time when they annually go out on the ocean near Half Moon Bay and just have a heck of a good time. The main idea is usually to catch fish but that thought sometimes falls through. At least they have fun, as evidenced by the stories that come back.

Two years ago a Mr. Rogers, who was a guest of one of the members, dropped his line into the water and when he hauled it in after quite a struggle with what he thought a big fish, he found a G.I. shoe full of cement tied to the hook. He will be along again to see the horseplay.

Another novice angler fought a bonefish for 10 or 15 minutes and I'll be darned if he didn't haul in a huge beef-shank bone weighing about 20 pounds. He is still trying to figure out how it got on his line. It is always good for a laugh to see some of the fortunate boys go over and tease and kid the life out of their less hardy chums who are suffering the pains of being seasick and being laughed at. (Aren't we devils!) Then there are some who don't bother to take a lunch and just wait for their best friend to get sick so they can eat his lunch and make him feel worse.

The usual amount of fish will be caught and the lucky anglers will take home some fine prizes. First fish, most fish and biggest fish will be honored. This writer can remember two years ago when on a borrowed jig I caught the most and the biggest fish and copped the pools for $21. Pretty nice day's work, along with half a sack full of fish. Also can remember when last year I didn't even get a nibble all day long. Oh well, that's fishing.

SHOOTERS ON TOP

Those sharpshooters of the Palo Alto "D" team are still on top of the heap in the small bore winter league. Jack Tranberg has been doing some fine shooting and has turned in the high score a couple of times. Ed Nenstiel and his shooting partner, Bayden have also kept in the running. The team has 11 wins to 0 losses and there is only one more shoot to go. They said the U.S.F. rifle team will be a pushover. Let's hope so!

Jack Tranberg and Al Speers report that the Daly City Rod & Gun annual shoot is all arranged and will be held on May 14 at the Coastside Sportsmen's range in Pedro Valley. The trophies are on order and all is in readiness for a big turnout as usual.

NEXT MEETING

Next regular meeting of the Daly City Rod & Gun Club will be held on April 26 at the meeting place at 337 Bellevue avenue and it will be a big night. They tell me that Uncle Joe Dearing of the Call-Bulletin will be there to treat the boys to a feed and all they can drink. This will be his way of thanking the club for doing such a good job of running the Huck-Finn fishing pool at the Sports Show. Let's all be there, boys, and come hungry and dry. Anyone interested in joining the club should contact either Ed Nenstiel or Jimmy Fox at the Daly City Hardware Store at 6309 Mission street. Glad to welcome any hunters or fishermen into a swell organization.

Beth Calvin To Take Part In Swim Show

Beth Calvin, daughter of Mr. and Mrs. J. S. Calvin, 222 Whittier street, will do a solo in the coming swim show at San Jose state college.

"Western Splash-Up" has been chosen for the name of the annual show, which will be presented Thursday, Friday and Saturday evenings, April 13, 14 and 15.

Miss Calvin is sophomore student studying for an A.B. degree in interior decorating.

CHECK-UP NEEDED

When an automobile engine is hard to start, there is an abnormal condition present which should be investigated, according to the California State Automobile Association. Difficult starting may be caused by a defect in battery, ignition or fuel pump.

State Purchases Game Refuge

The California Wildlife Conservation Board has turned over a check in the amount of $650,000 to the owner of 8600 acres of Grizzly Island, Solano county, for use as a Division of Fish and Game waterfowl management area.

Funds were provided from the Board's three-year, three-million-dollar annual share of State horse racing receipts.

Fish and Game Commissioner William J. Silva, former Board chairman, presented the check to R. E. Boyle of the Fontana Farms Company. Original estimated cost to the State was one million dollars.

Silva stated the Grizzly Island purchase is the first acquisition in the Board's proposed four-million-dollar Statewide waterfowl management program. The area will be developed to provide duck and goose refuge, feeding and resting area, and public shooting grounds.

VOICE OF THE PEOPLE

This week several people in Daly City were asked:

"Do you believe Daly City should have a chamber of commerce?"

Dick Mansfield, 593 Bellevue—Certainly, they have one in every city, and we are large enough to warrant a chamber of commerce. I can't see where anything like that ever hurt anyone.

J. A. Smith, 131 Santa Barbara—I don't know if a chamber of commerce would really do Daly City any good.

O. Tolovi, 212 Woodrow—I don't care one way or the other.

E. T. Parminter, 299 Hillcrest—I don't really care. I'm neutral when it comes to a question like that.

Vance Faragher, 605 Crocker—Yes, I believe it would be a good idea to have a chamber of commerce. It would give other cities throughout the state, and nation a better idea about this community, and would do much to wipe out the bad name Daly City has in several parts of the state.

Mrs. C. E. Landgren, 203 Irvington, I can't see why we shouldn't have a chamber of commerce. We are on the face of the globe, aren't we?

Ilene Miguel, 98 Cottonwood drive—It's immaterial to me.

Mrs. Ida Swanson, 614 San Diego—I think a chamber of commerce would be alright, if it will do any good.

Mrs. Helen Kimler, 71 Vendome—I'm, in favor of a chamber of commerce, but only if it will do some good in the community.

Mrs. Budie Cox, 106 Santa Cruz—I'm against any measure, such as a chamber, which would mean raising taxes.

American Legion Auxiliary Dinner, Party To Be Given This Wednesday

Come one, come all to the Broadmoor American Legion Auxiliary dinner and party Wednesday, April 19, at the Broadmoor Community Center.

The party will begin at 6:30 p.m., and everyone in the community is invited to attend. Tickets may be obtained at the door for the dinner.

Following the meal, the Colors will be dedicated to Cub Pack No. 84. The presentation is to be made by the Auxiliary president, Mrs. Clark Bud, 1828 Sweetwood drive.

The dinner is being held in honor of the cubs, and half the proceeds will be given to the pack.

Another feature of the affair will be the giving away of a fine model radio. The gift will be presented later in the evening to some lucky person in attendance.

Birth Pangs Of New Magazine

By Ridgely Cummings

So, to start. The subtitle of **comprehension** is "a literary journal of irregular issue and unpredictable content." It cost me $18 to register that name over at city hall with the county clerk.

NO TELLING WHAT

It seemed worth it however because with such a subtitle the magazine could make its appearance whenever it was most convenient and could carry just about any kind of material that seemed worth printing.

The trials and tribulations of a new publisher fall into three general categories: financial, mechanical and editorial.

I don't intend to go into any detail on the first aspect except to say that it involves lining up subscribers, getting backing and arranging distribution.

By the time this column appears in print the writer of these weekly essays should be a brand new, full-fledged editor and publisher of his own magazine.

As I cast around for a subject to write about this week and discarded one topic after another, it finally dawned on me that the reason I seemed bereft of ideas was that I was purposely ignoring the one thing uppermost in my mind. That thing was **comprehension,** the name of my new magazine.

Officiating at its birth pangs has occupied all my spare time, to the detriment of gathering column material. So why not, I finally decided, tell the faithful patrons of this space a few of the trials and tribulations involved in a new publication?

No good reason to the contrary asserted itself except the possible one of modesty. My virtues could be written on the forehead of the statue of Winged Victory (she ain't got no head pal) and modesty is not one of them.

The business brains behind **comprehension** is Dora M. Perry, a housewife and novelist whom I inveigled into serving as associate editor and circulation manager.

We had some editorial manifestos printed and Dora undertook to launch a promotion campaign aimed at securing subscribers at $1 a year. (Incidentally her address is 2518 14th avenue, S. F.) She started off with a bang, getting out a sizable batch of letters to prospective subscribers, and then we hit a series of snags.

MUMPS ARE ROAD BLOCKS

First her three children got the mumps in seriatum. Dora nursed them. They got well and then Dora got the mumps and took to her bed.

That passed and the promotion campaign started again, then her kitchen stove caught fire, caused by grease in a roasting pan, which disrupted the household arrangements. Repairs were made just as a new series of childhood disorders hit the family. That's where we are at present writing.

On the mechanical side, the struggle has been primarily one between editor and printers. **comprehension** is an all lower-case job, with many innovations in type faces and presentation. Printers are conservative by instinct and training and each new deal has taken place after a test of wills.

It is the editorial side which supplies the most headaches, although the sudden departure of the printer for a week's fishing in Mazatlan, Mexico, has not hastened the publication date by any means.

The editorial manifesto announced that **comprehension** was offering contributors "complete freedom of expression within the limits of the libel laws and the obscenity statutes. The editor doesn't know much about either of these limitations, but he is learning.

COMING WRITER

One of the best bits of writing sent in was a short story by William G. Weston. He called his story "Pride." It had a theme similar to that of Hemingway's "The Sun Also Rises" and the action took place in a Central Valley town. A swell story, it seemed a natural for the first issue.

But our legal advisor said no, too many of the wrong kind of words for the post office. So we are holding it and maybe we can clean it up for the next issue. Meanwhile we predict recognition for William Weston if he keeps his writing up to the level of "Pride."

My space is running out so I'll skip exhaustive details about other problems and just bring you up to date. At the moment all except two pages of the magazine are in type and ready to go. Those two pages have been promised to four distinguished writers, any one of whom will fill them if and when his piece comes in. It is a question of which arrives first.

Already locked up in page form are works from the following artists and writers: Henry Miller, Bern Porter, Richard Dermody, Ken Fletcher, Will Aubrey, Michael Demarest, David Frailey, Blanche Phillips, James Schevill, Nila Larkin, Dean Lipton, Gerben Dekker, Rupert Mason and Dom Barca.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

TROUT — April 29 to October 31, in Tahoe, Donner, Almanor, Butt, Boca, and Bucks lakes, and in all counties except Del Norte, Lassen, Plumas, Sierra, Nevada, Placer, El Dorado, Amador, Tuolumne, Calaveras, Alpine, Mariposa, and waters tributary to Pacific Ocean on coast of Humboldt county, where season opens May 27. Bag limit: 15 trout, salmon, or Rocky Mountain whitefish.

STRIPED BASS — No closed season. Bag limit: five fish or 25 pounds and one fish, or two fish regardless of weight. Minimum size limit: 12 inches.

SHAD — No closed season. Bag limit: 5 fish between June 10 and March 14. No limit at other times. Angling hours: from one hour before sunrise to one hour after sunset, or by hand dipnet at any time.

BLACK BASS, SUNFISH, CRAPPIE, SACRAMENTO PERCH — Closed until April 29 in all counties north of Mono, Madera, Fresno, Kings, and San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limits: 5 black bass, 25 sunfish, crappie, perch. No size limits.

OCEAN FISH — No closed season except for grunion and salmon, now open. Bag limits: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass, kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

CLAMS—Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

CRABS — Ends July 31. Bag limit: 10 in Eel River, Humboldt and Trinidad Bays; none elsewhere. Size limit: no males under seven inches. No females may be taken.

COCKLES — Ends April 30 in counties north of San Luis Obispo county. No closed season elsewhere. Bag limit: 50. Minimum size limit: one and one-half inches in diameter.

ABALONES—Ends January 14. Bag and possession limit: 5 per day. Minimum size limits: red abalone, 7 inches; green, 6¼; pink, 6; black, 5.

PREDATORY ANIMALS — No closed season. No license required for taking of moles, shrews, opossums, gophers, wolves, coyotes, raccoons, weasels, skunks, mountain lions, wildcats.

WILD PIG AND BOAR — No closed season. No bag limit. Night hunting prohibited. Traps prohibited in Monterey county. Hunting license required.

Santa Cruz Dog Show, May 7

Top judge at the 23rd annual dog show and obedience trials will be Selwyn Harris, New York, the Santa Cruz kennel club has announced.

The show is set for Sunday, May 7, at Pogonip Polo club.

In addition to judging best in show, Harris will judge a number of breeds and the working variety group.

Other judges will be Mervin F. Rosenbaum, San Francisco, judging the terrier and sporting variety groups; Roy Cowan, Fresno, the toy variety group; Derek G. Rayne, Carmel, the hound and non-sporting variety groups. George W. Hall, San Francisco; A. C. Spraggins, Walnut Creek; Beulah Sullivan, Roscoe; Mrs. William O'Bryan, Petaluma; Charles Beale, Alpine; and Alfred M. Volgelman, Berkeley, will all judge a number of breeds.

Novice B, Open A and Utility obedience will be judged by William F. Johns of Guide Dogs for the Blind, San Rafael. Novice A and Open B trials will be judged by Mrs. Pat Johnson, San Francisco.

Entry blanks for the show are now available, it was announced, as well as a complete list of judges. Write the local kennel club at 920 King street, Santa Cruz.

CANDIDATE

J. F. Shanley

Former Deputy Collector Seeks Recorder Job

In filing his nomination papers for county recorder, James F. Shanley, formerly the deputy collector of internal revenue, in charge of San Mateo county, submitted the following sponsors:

Walton A. Gould, Atherton; James P. Hagan, Calvin S. Grandi, Marie J. Buschke, Henry D. McGarvey and Elizabeth Gherini of Redwood City; Robert F. Cain, Menlo Park; James T. Healy, Belmont; Thomas H. Fox, James Wisnom, Albert Andreozzi, Robert W. Mayer and Charles S. Benton of San Mateo; Elizabeth B. Gentry, Hugh H. MacDonald of San Carlos; Otto V. Burberick.

Julia M. Broderick, Alfred A. Tobin Frances K. Otto of Burlingame; Arnold C. Johnson, Millbrae; Joseph J. Hearne and Frances McCallion of San Bruno; William Lagomarsino and Frank Kent of Daly City;

SAN MATEO COUNTY LABOR LEADERS BACK T.B. HOSPITAL

San Mateo county's new tuberculosis hospital is going to get the finest work and closest cooperation of local labor. This is the pledge of the above special committee of leaders from the San Mateo county building and construction trades council. From left to right, the men who will keep an "eagle eye" on the job are: Lawrence S. Blanchard, Frank E. Olson, Henry Methvin, John Haugberg, Edward Brady, John Minehan, Earl Honerlah, Rocco V. Greco, John Moore, Stephen Serfosa, Chester Elliott, Kenneth Hower, Mike O'Connor, Charles Seafuse and Tom Price.

What The Schools Can Do To Combat Juvenile Delinquency In Daly City

Our schools can do a great deal toward meeting the needs of our children and thus help in combatting delinquency.

Juvenile problems are very often handled admirably by our schools, and with adequately trained personnel, the schools can often detect symptoms in students which could lead to delinquency if not checked immediately. I think on the whole they are working to do a good job, but obviously they can't do it alone.

Parents can do a great deal through their cooperation and through their active interest in school affairs. It is really wonderful what the Parent-Teachers Association is doing for the students and for the parents and for the schools. It is this parent-teacher cooperation which results in the solution of many problems in an atmosphere of mutual trust and understanding.

The schools, of cource, must accept the responsibility of giving the student a command of the fundamental processes and to teach him how to make a living happily and successfully. An adequate guidance program can do a great deal toward helping students adjust themselves to their needs. But here, too, the guidance department must have the cooperation of the parents if they are to do an optimum job.

One of the great responsibilities that our schools must recognize is the instilling in our students of a great interest in the American way of life. It is important that they be taught to take an interest in civic affairs intelligently. The schools must instill in our young boys and girls the appreciation of the electoral right of citizens to vote, and to express their convictions by voting when the election day comes. And the school and the home must join in their efforts in teaching our children the true values of the home, the family and the respect of our neighbors, as well as providing them with knowledge as to what is right and what is wrong.

There is so much going on today that it becomes important for children to learn to discriminate between the good and the bad. The radio, television, movies, books and magazines are not always conducive to good moral standards, and here again, it becomes the duty of the home and the school to cooperate in instilling good moral training so that boys and girls can't be swayed by cheap publicity into wrong channels of activity.

I know that our schools are trying to provide wholesome activity programs that will meet the needs of students during and after school hours and many students are taking advantage of these programs. The ultimate goal would be to have all students take part in this wholesome type of activity.

The schools are recognizing the necessity of knowing the individual child, of understainding his problems, and of planning the curriculum accordingly.

With the help of the parents, the fine work of our schools and the continued cooperation of civic organizations, our problem with delinquent children will certainly be kept at a minimum.

NEW ECA AIDE — Appointment of Jean Cattier, New York investment banker, as chief of the financial division of the ECA mission to Western Germany and financial adviser to the U. S. high commissioner in Germany John Jay McCloy, has been announced by ECA Administrator Paul Hoffman. A native of Brussels, Mr. Cattier became a naturalized citizen in 1942

It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is a style show all by itself . . . why it's the *only car in automotive history* to twice receive the Fashion Academy's Gold Medal Award as "Fashion Car of the Year" (and two years in a row, at that!)

It's MR. BIG for size

No other car in Ford's field offers so much hip and shoulder room. The '50 Ford is big and feels big. The minute you take it is great car out on the road you'll feel its luxurious big car comfort, its effortless "Finger-Tip" steering and its solid roadability. A ten-minute "Test Drive" will convince you that the '50 Ford is truly Mr. Big for spaciousness, for comfort, for performance and for value.

And Champion of its Class for ECONOMY

Here's real evidence of Ford's extraordinary gas economy. In the official AAA supervised Mobilgas Grand Canyon Economy Run, a '50 Ford Six equipped with Overdrive* won in its class—the three full-size cars in the low-price field. Low first cost, low operating cost and high resale value mark Ford—V-8 or "Six"—as the "Big Economy Package" in its field. "Test Drive" it at your Ford Dealer's today. (*Available at extra cost.)

'50 FORD

"TEST DRIVE" IT AT YOUR FORD DEALER'S F.C.A.

NEVILLE MOTORS

7360 MISSION STREET PLaza 5-4813

New Willys-Overland Models Are Now On Display At Al Palen Motors

The new Willys-Overland models, featuring evolutionary advances in appearance and choice of two, new, more-powerful, high-compression four- and six-cylinder engines are on display at Al Palen Motors, 5900 Mission street.

Palen said that the new cars retain the traditional Willys emphasis on utility in design, but that economy of operation of both new engines sets a new standard for efficient fuel utilization.

He declared that changes in the line apply to the Willys four- and six-cylinder conventional 2-wheel drive station wagons, Jeepsters, 4-wheel drive truck, and panel delivery. In addition, Palen said, a new half-ton truck of conventional 2-wheel drive was announced. The truck will be powered by the new four-cylinder engine. No changes were annuonced for the famous Universal Jeep and the 4-wheel drive station wagon at this time.

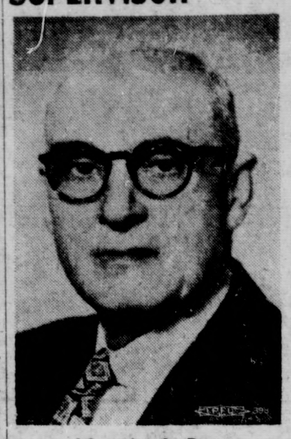
Among the outsanding features of the models are Willys-Overland's newly developed four- and six-cylinder engines, the "Hurricane" and the "Lightning."

The "Hurricane" is a 4-cylinder F-head power plant that develops 72 horsepower at 4,000 RPM. A radical departure from automotive engine design, this engine has a compression ration higher than that offered by most American-made power plants.

Several features, unique for American automotive engines, have made it possible to obtain a compression ration of 7.4 to 1 in the "Hurricane" engine. The intake manifold and carburetor system has been streamlined with shortened passages that are completely downdraft. An enlarged intake valve has been placed in the cylinder head, with the exhaust valve remaining in the cylinder block. This arrangement combines the advantages of both the conventional valve-in-head and L-head engines and makes possible a larger mixure intake in the Willys F-head design. The results are better engine "breathing" and more complete and efficient combustion of the air-gasoline mixture.

Increased compression in the "Hurricane" engine is achieved through a smaller and more compact chamber with the spark plug located at the center of the head. The engine can easily be adapted to higher compression ratios when gasolines with higher octane ratings are made generally available to the motoring public. At the present time, a compression ratio of 7.8 to 1 is available as an option for improved performance in high altitude areas.

SUPERVISOR



Martin A. Poss

Second Township Supervisor Seeks Re-election

Martin A. Poss of San Mateo, county supervisor from the second township for the last six years, today announced the opening of his campaign for re-election at the June 6 primary.

Basing his campaign on "continued business management of county affairs," Poss pointed out that his record in the civic and business activities of San Mateo county extends over 36 years.

Until his retirement in 1946, Poss had operated a florist business in San Mateo for 30 years, with a branch office in Burlingame. Sinch his retirement from business, he has devoted his full time to the office of supervisor. He was appointed in April, 1945, by Governer Warren and elected in 1946.

Other public service in Poss' long list of civic activities includes election to the San Mateo city council for three terms, membership on the San Mateo planning commission and for the past 15 years membership on the county planning commission.

"In this latter capacity I have always strived to keep industry, business, residential, and recreational areas in their proper location, for the orderly development of our county," Poss said. "This experience has been of immeasurable value and help to me in the capacity of supervisor."

Poss also has served on the Three-Cities Mosquito Abatement District board and during the war was chairman of the San Mateo draft board. He is still chairman of the peacetime draft board, making a total of seven years in this capacity.

New Arrivals

To the wife of Gene Joseph Pardini, 16 Louvaine place, Colma, March 27, a son.

To the wife of Lawrence G. Dominguez, 1731 Sweetwood drive, March 30, a daughter.

To the wife of William H. Everett, 227 Crocker avenue, March 30, a son.

To the wife of William Carrillo, 122 Westlawn avenue, March 30, a daughter.

To the wife of Edward F. Schmidt, 65 Mission Circle, April 1, a daughter.

To the wife of Dwight L. Magnussen, 916 Bradley drive, April 2, a daughter.

To the wife of Harry E. Dederman, 113 East Vista, March 19, a daughter.

To the wife of Attilio C. Segali, 461 Hillside boulevard, March 29, a son.

To the wife of Archie J. Hall, 179 East Vista, April 3, a son.

Santa Fe, New Mexico, was founded in 1805 by Spaniards.

Mission San Rafael Arcangel in Marin county was founded in 1817.

Market Basket Feaures Brush Set Sale

The Market Basket, 5901 Mission street, is featuring a sensational Borden's evaporated milk offer this Saturday only.

You can get a five-piece kitchen brush set for only 25c! See their ad in this issue for details.

Antone Burkard and Bud Holmes, owners of the market, say that this deal is a natural, so plan to stop at the Market Basket on your shopping itinerary this Saturday.

Sauvignon Blanc is one of the best white wine varieties of grapes produced in California.

Ground Breaking For New Store Set

Ground breaking ceremonies for a new branch store of The Emporium, the first venture of its kind in San Francisco, will be held Wednesday, April 12, at Stonesown," off 19th avenue.

Mayor Elmer E. Robinson will head an impressive list of officials and dignitaries participating in the ceremonies scheduled to commence at 2:30 p.m.

Mayor Robinson will "do the honors" by personally operating the steam shovel excavating the first scoop of earth at the site of the first branch within the city limits of a major San Francisco department store.

Special provisions for spectators and the parking of their cars are being made.

Situated west of the Twin Peaks, between 19th avenue and Lake Merced, the new store is intended to serve customers living in West San Francisco, Marin and the Peninsula, according to an initial announcement by E. C. Lipman, president of The Emporium Capwell Co.

It is expected that the new Emporium store will be built, equipped and ready for business during the fall of next year.

Testimonial Dinner For Meyers In May

A testimonial banquet in honor of Assemblyman Charles W. Meyers will be given Saturday, May 13.

Place of the dinner is the Italian-American Social Hall, 25 Russia avenue.

As yet no speaker has been chosen. However, his name will be announced at a later date.

Walter Renner Sr. will act as toastmaster. Chairmen for the banquet will be as follows:

John P. Figone, chairman; Walter Renner Sr., co-chairman; Mat Savasta, Tommy Balerga, Al Bertolozzi, Walter Renner Jr., Joe Jackson, Fred Nearny, Angelo Rolando, vice - chairmen; Alice Mandoli, publicity chairman; Robert Woodward, banquet chairman; Lena Renner, June Renner, Alice Mandoli, Nancy Grech, Marie Grassilli, Mary McCormack, women's committee chairmen.

Tickets may be obtained from Walter Renner Sr., 977 Geneva avenue. DElaware 3-0142.

Stockton, San Joaquin county seat, was orginally called Tuleberg.

One-Third Cancer Drive Completed

The Cancer drive is one week old today — a thriving youngster.

Philip S. Pope, campaign chairman of the San Mateo county branch of the American Cancer Society is pleased to announce that the first $8,000 of the county goal of $27,500 has been received.

"Our emphasis is placed on research," said Mr. Pope, "since it is only through research that cures can come, but 40 per cent of funds raised will stay in the county to educate and serve the residents. The committee is most encouraged at the ready response of the public."

CLOSE AIR DUCTS

If your car is equipped with ventilation air ducts that are designed to draw air directly from in front, it is advisable to keep these intake ducts closed when stopping behind other cars in heavy traffic or when closely following other cars, trucks or buses, warns the California State Automobile Association. There is sufficient poisonous carbon monoxide gas in the exhaust of any car to cause asphyxiation if drawn into a closed car in quantities.

BELLI MARKET

RECIPE OF THE WEEK
By Mary Lee Taylor

Dessert Coffee Cake
Broadcast: April 15, 1950

½ cup sugar	½ teaspoon salt
½ teaspoon cinnamon	3 tablespoons sugar
1 tablespoon Pet Milk	3 tablespoons shortening
2 tablespoons melted butter *or margarine*	½ cup Pet Milk
1½ cups sifted, all-purpose flour	½ cup unsweetened prune juice
3 teaspoons baking powder	½ cup cooked prune halves*
	8 shelled nuts

Turn on oven; set at moderately hot (400° F.). Grease a round 8-in. cake pan, 1½ in. deep. Mix ⅓ cup sugar with cinnamon. Add 1 tablesp. milk and the melted butter. Let stand. Sift flour with baking powder, salt and 3 tablesp. sugar. Work shortening in with fork. Stir in quickly a mixture of ⅓ cup milk and prune juice. Spread dough in pan to very edge. Arrange prunes around outer edge. Arrange circle of nuts in center. Spoon sugar mixture over top. Bake on bottom shelf of oven about 25 min., or until brown. Serve warm.

*Apricots also can be used.

You will need:
Pet Milk, Prunes, All-purpose Flour, Sugar, Shortening, Baking Powder and Nuts.

American Legion States Its Case

(This is the concluding article of the series by Commander Bordson, in which he summarizes American Legion position on the Hoover Commission Recommendations dealing with veterans.)

By Commander Peter D. Bordson
Daly City Post No. 410
American Legion

In fighting only that part of the Hoover Commission Report for economy in government which affects veterans, The American Legion actually is fighting only ignorance and bias. The American Legion is just as much for economy in government as anyone else because that desire is universal!

The uniformed cynic loves to hurl his sarcasm at the American Legion's stand.

"So you're for economy!" he is apt to sneer. "You support all the rest of the Hoover Report except that part which deals with veterans affairs! But the moment veterans are to be affected by economy, you squawk to the high heavens!"

The American Legion welcomes such thrusts because it has the right answer.

The American Legion has no business to concern itself with the other sections of the Hoover Commission Report because it hasn't labored for 31 years in those fields. But it has been the big toiler in the field of veteran rehabilitation! It is an expert on veteran affairs! It knows the score there as no one else does.

It knows that the proposals advanced by the Hoover Commission to effect economies in the handling of veterans affairs not only cannot be justified on economic grounds but would lead to chaos and waste and human misery.

It holds that economies should and can be accomplished in the handling of veterans affairs but they should be striven for within the existing Veterans Administration's framework, which is sound as rock!

Add It up

Nineteen million veterans have a right to a single agency to handle all their multitudinous affairs exclusively. The Veterans Administration is this agency. It is a one-stop service station. It grew out of the disastrous experience of divided responsibility in the past. Backsliding to old disaster is no road for economy to travel!

Add it up yourself as The American Legion adds it up:

The Hoover Commission proposes to: Dismember the VA, a success, into five separate agencies all trying to operate from one set of records. Create a colossal new united medical administration by lumping about 4,000,000, non-veterans with 19,000,000 veterans into competition for hospital beds and medical care, a clear case of a tail wagging the dog.

Transfer the building of hospitals to reclamation engineers yet require VA to maintain an engineering staff to operate the hospitals. Set up a brand new government corporation to handle insurance claims against the advice of private insurance executives and management engineers. Take only the home loan guaranty function from the VA to give to another agency, leaving farm and business loans with the VA which has all the veteran records. Substitute thousands of virtually independent boards for the single Civil Service Commission now procuring government personnel for all agencies.

The American Legion submits that not a single economic ground exists for doing any of these things. The result can only mean divided responsibility, enormous duplication, unprecedented red tape, creation of thousands of new payrolls, delays, bottlenecks, and the dizziest run-around that veterans ever got. The American Legion says there is no economy in such a plan — only chaos and waste.

New Power and Beauty For Willys

The new Willys "Hurricane" engine, restyled grille, and sports phaeton Jeepster.

Commanding new power and beauty keynote Willys-Overland's popular and familiar line of useful vehicles. New models, unveiled on March 30, incorporate many engineering and styling advances unique in American autos.

In functional beauty, the new Willys line is unsurpassed. Willys' stylists, following the company's established policy of clean, uncomplicated design, took the angular appearance of the car, contoured and streamlined it into eye-pleasing, windflow lines as illustrated by the Jeepster, above. On the grille are horizontal chrome crossbars, which emphasize the low, fleet lines of the car. New fender and hood beauty is underscored by lengthwise wind creases and rolled edges on these components. The improved design further adds additional strength to the already rugged bodies of the Willys cars.

A new, high compression 4-cylinder engine, called the "Hurricane" powers the new Willys models. The engine, of F-head design, underwent almost two years of intensive testing in the Willys research laboratories and on the road. In performance, economy, and power it proved itself one of the most efficient and compact power plants manufactured today.

NEW ENGINE ADVANTAGES

The Willys F-head "Hurricane" (cutaway view above) boasts many advantages in engine operation. More uniformly warmed fuel mixtures, with an elimination of an exhaust heated "hot-spot" gives greater engine thermal efficiency. The spark plug location near the center of the combustion chamber makes possible faster, knock-free ignition. A greatly enlarged intake valve with relatively low lift increases fuel mixture intake velocity and reduces resistance to easy engine "breathing." The engine develops 72 horsepower at 4,000 RPM with a compression ratio of 7.4 to 1.

The Willys 6-cylinder engine, named the "Lightning," has been redesigned to develop 75 horsepower at 4,000 RPM with a compression ratio of 6.9 to 1. Available as an option in the Willys station wagon and Jeepster, the "Lightning" offers unusual power and economy with the smooth performance of 6 cylinders.

HALF-TON TRUCK INTRODUCED

A new, two wheel drive, half-ton truck with a curb weight of 2,868 pounds is now offered by Willys. Using the new, more powerful "Hurricane" engine, the truck is able to perform a wide range of commercial and farm tasks with ease and economy. From the clean interior with its functional and rugged appointments, to the newly styled and streamlined exterior, the truck is designed for hard usage with minimum upkeep.

WE RESERVE THE RIGHT TO LIMIT

Navy Enlistments Now Unlimited

The navy recruiting headquarters in San Francisco announced today that enlistments for the navy, with few exceptions, are unlimited.

The quota is limited for those enlisting under the high school graduate training program. Musician, electronics technician, and the general service programs are unlimited.

Young men between 17 and 31 years of age are asked to stop in at your local navy recruiting station and inquire about the unlimited opportunities the Navy has to offer. Remember, you don't need experience.

If you show the right qualifications, the navy may send you to a trade school and give you training, teaching you to be an expect in the trade for which you are qualified, helping you to develop all the skill and talent which you always knew you had.

Inquire today. An hour of your time may bring you generous and satisfying dividends in training and travel, along with a secure, well-paid career.

For further information telephone or visit the U. S. Navy recruiting station, Post Office building, San aMteo. Phone DI 4-2781.

SMJC Students Enjoying Vacation

With San Mateo Junior College students scattered about the state for the spring vacation, many college events are still in progress. For example, the baseball team is on a trip south competing against three teams in southern California. Coach Herb Hudson's nine is facing stiff competition these days and next week will continue conference playing.

San Mateo jaysee's track team defeated Santa Rosa and Hartnell College on the Burlingame High School grounds, and indications are that the local jaysee has its strongest track team in ten years—much to the delight of Coach Dell Fishback.

The college yearbook, with editor Sue Thomas heading the staff, has just about completed the work on the annual and will send the last material to printers and engravers next week.

The Art Club presented one of the finest dances of the year for the student body last Friday night. The club did some of the best decorating work on the Baldwin gym that has ever been done for a college dance.

During this week the State has been operating a training school for canning instructors and operators at the local junior college canning center. This is also an indication that the cannery will soon be open to the local public as another service for local peninsula housewives who may wish to can fruits, vegetables, fish, and/or meats. Asparagus will be the first vegetables to be canned.

The college adult center is opening the new spring quarter April 10. Over seven thousand men and women are now enrolled in the numerous adult sections.

The altitude of San Francisco veries from six to 956 feet.

St. Louis, Missouri, is one of the nation's largest fur markets.
